The Act provides that where the Panel finds a member guilty of professional misconduct and/or to be incompetent, it may make an Order doing one or more of the following:

1. Directing the Registrar to revoke the member’s certificate of registration.
2. Directing the Registrar to suspend the member’s certificate of registration for a specified period, not exceeding 24 months.

6. Fixing costs to be paid by the member.

The Panel may also direct the Registrar to not carry out a direction made under paragraphs 1, 2 or 3 above for a specified period and to not carry out the direction at all if specified terms are met within that period. The Panel may specify the terms it considers appropriate, including but not limited to terms requiring the successful completion of specified courses of study.

In making an order under paragraphs 1, 2 or 3, the Panel may also fix a period during which the member may not apply to have a new certificate issued, to have the suspension removed, or to vary the terms, conditions and limitations.

 - b. On multiple occasions, the Member physically restrained children’s movements. This included, among other things, putting children in a “time-out” chair and forcing them to remain seated, by holding them down, as well as pushing children’s chairs into a table to prevent the children from getting up.
